Unlike your average A-to-Z German/English dictionary, Mastering German Vocabulary presents more than 5,000 words in 41 separate categories. This arrangement allows students to understand the relationships of various words. Categories cover the human body, health and medicine, sports, culture and religion, and dozens of other subjects. Engaging example sentences help illustrate the meanings of words and also inform readers on idiomatic expressions, grammatical exceptions, and cultural and geographical information. English-speaking readers will find help in translating those German words and phrases that may be too specialized to be found in ordinary alphabetically arranged bilingual dictionaries. Engaging line art illustrations, charts, and a comprehensive alphabetical word index enhances this volume's usefulness. A fine school supplement for language teachers, students, and language labs, and an aid for anyone who must sometimes get information from German journals and other publications.

5000-WORD ENGLISH-ESTONIAN VOCABULARY The use of this 5000 word Estonian vocabulary will allow you to understand simple texts and will give you much needed confidence in everyday conversation. Used in combination with a grammar course, it will aid in your ability to correctly compose many phrases. When watching Estonian films, you will begin to hear and understand more and more words and phrases. This guide will assist you in attaining a higher level of Estonian that will finally allow you to say: "I can speak Estonian " T&P Books vocabularies are intended to help you learn, memorize and review foreign words The
