Among restaurants and bars, 70 percent expect to go out of business if social-distancing orders last into July. That's according to a new survey of nearly 6,000 small-business owners conducted by a team of researchers in partnership with Alignable, an online business networking platform with 4.5 million members. The survey results paint a bleak picture of America's current small-business ecosystem, in which results find 43 percent of firms are temporarily closed and 40 percent of the ...
