Everything You Need to Know About the Magic of Essential Oils Magical oils are among the most mysterious and intriguing tools used in Wicca and other forms of Witchcraft. Since before recorded history, shamans and healers of all kinds have used fragrant oils in ritual, magic and medicine, knowing as we do that their use has the potential to transform lives on physical, emotional, and spiritual levels. Because of their unique effects on the mind of the practitioner, botanical oils provide a direct tie between the natural physical world and the spiritual plane. But what exactly are magical oils and where do they come from? Unlike other natural ingredients such as crystals and plant roots, oils don't come fully-formed into the world on their own-instead, they are derived from processes developed by human beings. Many who are new to the Craft may have little understanding of just what it is they're anointing their candles (or their own bodies) with, since unlike most other tools used in ritual and spellwork, oils aren't exactly easy to examine close-up. This lack of familiarity can make working with oils seem daunting, or even create an unintentional energetic disconnect between the beginning magician and these otherwise-powerful substances. If you've ever wondered how or why to use botanical oils in your spellwork, this guide will serve you well. Essential Oil Magic was created to provide you with a comprehensive overview of magical botanical oils and their use in modern Witchcraft. Best-selling author Lisa Chamberlain explains the evolution of magical oils over time, from their rustic beginnings in the form of essential oils, giving you a clearer sense of how these unique substances came to be and why they greatly enhance your ritual and magical practice. In addition, you'll be introduced to a Witch's dozen of essential oils commonly used in both healing and contemporary magic, many with histories of magical use going back for thousands of years. These 13 oils represent a wide range of scents, plant types, and healing and magical properties, and are among the most affordable essential oils available today. What's more, each of the blend recipes and spells utilize oils from this Witch's dozen, making it easier for you to get your blending practice underway in no time. Foundations for Using Essential Oils in Your Magical Practice Knowing what goes into essential oils and how these ingredients contribute to magic is an excellent first step. But to create the highest quality magical blends, you'll need to know what to look for when purchasing your oils, and how to properly care for them. Furthermore, you'll need to get acquainted with each of your single oils on its own terms-its unique scent, its magical properties, and which oils to mix it with for a pleasing and powerful blend. Essential Oil Magic has all of this information and more, including: How our spiritual forebears in the Craft used botanical oils in ritual, magic and healing in ancient civilizations How the magical properties of oils add power to your spellwork Profiles of 13 of the most popular and readily available oils used by Witches today, including their magical properties and associations Detailed instructions for creating your own magical blends Blend recipes, oil-oriented spells for you to try your hand at, and a few other ideas for taking your practice further By the end of this guide, you will have a solid foundation to work from as you incorporate magical oils into your practice, and you'll be delighted by the diversity of this very special form of herbal magic! This book introduces the reader to the delightful and enticing secrets of Lavender plant and its essence, demonstrating its healing properties.

If you want to learn about the Power of Herbs and the amazing Green Magic to begin your own Magical Journey, then keep reading... One of the most significant parts of Wiccan practice is the use of herbs and plants, the stuff of nature: these materials help you master the art of healing and of becoming one with the harmony of the universe. Use this book to understand how to grow and use herbs to embark on your journey toward discovery, self-care, and empowerment. Instead of depending on external sources for your validation and satisfaction, begin to look to your own inner strength and wisdom - and that of the Mother Goddess and natural realms - to not just imagine but to build your best life. Through the use of herbal magic in the Wiccan tradition, you can begin to harness and guide the energetic forces of the universe toward your positive goals. From learning about the ancient roots of herbal magic, to embarking on your own garden, to utilizing herbs and plants in your Wiccan practice, this book will teach you how to create a space and a self that is ideal for the creation of successful magic. This requires nothing more than openness and a commitment to the larger forces that guide you through your daily experiences, along with some knowledge about the singular and powerful magic that the use of natural herbs and plants can contribute. This book includes: A full introduction to the power of herbal magic and how it has been utilized and understood throughout history and within Wiccan practice A review of our relationship to nature and how it relates both to Wiccan practice and to our own personal energy centers A list of some of the most common herbs and plants used in Wiccan practice, along with an explanation of their magical properties A guide on how to create the best and most powerful Wiccan garden A guide on how to cultivate and nurture the most magical house plants to serve your intentions A practical magic guide to preparing herbal teas and tinctures, as well as essential incense How to utilize ritual baths to create a harmonious balance between mind and body, and between the physical and the spiritual realms How to set up and utilize your Wiccan kitchen to its full potential, with some ideas on preservation and recipes for love, success, and luck Tables of Correspondence for common herbs and essential oils, as well as a workbook guideline to start creating your own, personalized herbal magic Even if you are a beginner and not sure what green magic is, you can easily learn its secrets and incorporate the magic and energy of Nature into your own life.
