Books — Elliot Jurist, Ph.D., Ph.D.

This concise, engaging book offers a brief overview of mentalization in psychotherapy, focusing on how to help patients understand and reflect on their emotional experiences. Elliot Jurist integrates cognitive science research and psychoanalytic theory to break down "mentalized affectivity" into discrete processes that therapists can cultivate in session.

Minding Emotions: Cultivating Mentalization in ...

Psychoanalysis and Psychological Science RC489 Jurist welcomes emotions in all of their complexity--how they manifest themselves (for better or worse) in everyday life, and especially in psychotherapy, and how people might cultivate their use without overstimulating their
