In Sell with Soul the author shares her rise from a nervous rookie agent to a successful real estate broker in Denver, Colorado. The book contains detailed instructions and checklists for many of the activities a new agent must master, such as building a contact database, learning the market, working with buyers, crafting marketing listings, and negotiating inspections. Allan also shares many stories from her own career that will help the new agent better understand her recommendations. Sell with Soul also speaks out against the status quo and asks agents to consider the needs of their clients before considering their own personal need for a paycheck, and counsels agents to welcome every learning experience, even when it does not result in a closed sale. Many new agents have told Allan how her book gave them hope that they could succeed without sacrificing their principles or changing their personalities.

The author shares insights from her successful real estate business in Denver, Colorado, emphasizing ethical methods of attracting new clients.

Laura Nyro was a beloved and pioneering singer-songwriter of the 1960s and 1970s, whose songs were covered with great success by the Fifth Dimension, Blood, Sweat & Tears, Three Dog Night, and Barbra Streisand. This first biography from Michele Kort, Soul Picnic, uncovers previously never revealed details, including a love affair with Jackson Browne, and her relationship with painter Maria Desiderio. Unappreciated in her time, Nyro's legacy is currently experiencing a revival. With her groundbreakingly honest and passionate lyrics, her unusual and innovative rhythms and melody, Nyro's influence is still felt by singers and songwriters today.

In his groundbreaking first book, Your Soul's Plan, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel Your Soul's Gift delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Through the stories in Your Soul's Gift you can: -Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned -Emerge from victim consciousness to know yourself as the powerful creator of your life -Forgive those who have hurt you and create a lasting inner peace -Understand the qualities you came into this lifetime to cultivate and express -See profound purpose in experiences that once appeared to be meaningless suffering -Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.

December 1991. Beautiful American banker Alice Liddell has arrived in Moscow as it reels under the collapse of the Soviet Union and suffers a brutal war between mafia gangs for control of the violently changing city. Hired to oversee the privatization of Russia's legendary vodka distillery—the Red October—Alice soon finds her ideals compromised by its director Lev, a gangland member as dangerously seductive as he is ruthless. When a shadowy enemy vows revenge on Lev, and a series of bizarre serial murders erupts in the darkest corners of the city, Alice finds herself being drawn into the dangerously violent underground world of Moscow. "[A] dense, captivating novel of modern-day Russia . . . so fascinating that delighted readers will gulp it down like the novel's free-flowing, ubiquitous vodka."—Publishers Weekly "A potent crime thriller cocktail."—Library Journal

In 1928 Sydney, Australia, an Irish school girl finds new hope, after polio and personal tragedy, while playing cello in a string quartet. "The author's . . . love for and extensive knowledge of music, fine arts and literature shines through" . . . "The landscapes are vast and vivid, the seasons sensory and real, and the emotional journey heart-wrenching." . . . "some of the most profound considerations on the meaning of suffering and understanding others, making allowances for their faults" - GoodReadingGuide.com Publisher description: Australia promised a fresh start for Lucy Straughan and her father when they fled war-torn Ireland. Instead, Lucy was stricken by polio. Having mastered the cello during her prolonged confinement, Lucy is now fifteen, lonely and full of questions. Suddenly she is thrust into a string quartet and meets quixotic Della Sotheby, hot-headed Pim Connolly and precocious Phoebe Raye. The experience transforms each of their lives as they forge friendships and share not a few family secrets. Set against the vivid background of 1920s Sydney, A Distant Prospect is an intimate, hilarious and ultimately deeply moving coming-of-age adventure told with a touch of poetry by a quintessentially Irish narrator.

~Anna~ I was three weeks past my seventeenth birthday when I first saw him running like a dog, as prospects do, during a family club function. I knew he was far older than me since he'd served in the Army with my brother-in-law, Deck. He was definitely too old for me in the eyes of everyone else. I knew the rules, and I'd be breaking too many of them for this not to be trouble. He was a prospect, making him off-limits. I wasn't even 18, making me off-limits. I was also a club princess, daughter of the Vice President of the Aces High MC - Charleston Chapter. That, more than anything else, made me off-limits. Still, I watched and waited for the moment when I could make myself unforgettable to him, because my heart had no limits, and it wanted Joker. ~Joker~ Prospecting for the MC was turning out to be a tougher gig than I had originally imagined. I wasn't exactly known for taking blind orders well, or taking shit from anyone in my life, so undergoing prospect hazing was trying my last damn nerve. The never-ending line of patch-chasing females was sure to make the discomfort worth my wait. Then again, I wasn't one to do easy conquests either. The shy cutie who had been staring at me all night from the corner seemed like just the challenge my worn down soul needed. She was a challenge all right. Nearly cost me everything in the end. Now, I'm stuck with a liar, an old lady, and one crazy-ass impending shotgun wedding. NOTE: This is book 3 in a series of 7 that must be read in order.

Book 1: The Other Princess Book 2: A Love So Hard Book 3: The Other Princess Book 4: The Killing Ride Book 5: A Twist of Fate Book 6: Everlasting Book 7: A Year and a Day **TRIGGER WARNING** For sensitive readers - there is cheating (sort of) in this book. Yes, you will miss a lot of important information if you try to skip it and move on to book 4.

The mesmerizing biography of a brilliant and eccentric surgeon and his quest to transplant the human soul. In the early days of the Cold War, a spirit of desperate scientific rivalry birthed a different kind of space race: not the race to outer space that we all know, but a race to master the inner space of the human body. While surgeons on either side of the Iron Curtain competed to become the first to transplant organs like the kidney and heart, a young American neurosurgeon had an even more ambitious thought: Why not transplant the brain? Dr. Robert White was a friend to two popes and a founder of the Vatican's Commission on Bioethics. He developed lifesaving neurosurgical techniques still used in hospitals today and was nominated for the Nobel Prize. But like Dr. Jekyll before him, Dr. White had another identity. In his lab, he was waging a battle against the limits of science, and against mortality itself—working to perfect a surgery that would allow the soul to live on after the human body had died. Mr. Humble and Dr. Butcher follows his decades-long quest into tangled matters of science, global politics, and faith, revealing the complex (and often murky) ethics of experimentation and remarkable innovations that today save patients from certain death. It's an enthralling tale that offers a window into our greatest fears and our greatest hopes—and the long, strange journey from science fiction to science fact.

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.
