A simple approach for learning Spanish grammar by comparing it to your first language, English! Side-by-Side Spanish and English Grammar present explanations of the essential elements of Spanish grammar alongside their English-language equivalents. This method allows you to build on what you already know; not only do you learn Spanish grammar but also enjoy the added benefit of strengthening

your grammar skills in your native tongue! Each lesson clearly explains functions and uses of the different parts of speech and includes abundant examples for each entry. Because the vocabulary is limited to frequently used words, you can concentrate more on a sentence's structure instead of becoming tangled in its meaning. A "Quick Check" section summarizes main ideas in each section and helps you retain the most important information. This third edition features a new exercise section to further reinforce what you have learned.

Get on the Fast Track to Mastering the Spanish Grammar System! Confident use of grammar is an essential foundation for learning Spanish. Spanish Grammar Drills will help you lay this foundation through clear explanations and rigorous practice. - More than 200 exercises, covering all aspects of the Spanish grammar system
- Numerous examples that demonstrate correct grammar usage
- Review exercises to reinforce your understanding
- An answer key to give you clear explanations of every concept

Spanish Grammar Drills is the bestselling source of practical advance that you can use either in conjunction with a course or as a self-learning tool. You'll become less intimidated by all aspects of grammar and, instead, more confident in your Spanish writing and speaking skills. Topics include:

- Reflexive verbs
- Infinitives and gerunds
- Possessive pronouns
- Adverbs of frequency
- Imperfecto versus indefinito
- Comparatives and superlatives
- and more
