Virgins An Outlander Short Story

Virgins is advertised as " a standalone book" in the product description, and yet on the same page we are told that it is a short story featuring Jamie Fraser before he met Claire Randall. A sort of prequel to the Outlander series of novels, set in the 1740's the decade of the Jacobite Rebellion. As a book I found it a complete disappointment.

Diana Gabaldon's #1 bestselling novels and the Starz original series, *Virgins* is now available for the first time as a standalone ebook. Mourning the death of his father and gravely injured at the hands of the English, Jamie Fraser finds himself running with a band of mercenaries in the French countryside, where he reconnects with his old friend Ian Murray. Both are nursing wounds; both have good reason to stay out of Scotland; and both are still virgins, despite several opportunities to remedy that deplorable situation with ladies of easy virtue. But Jamie's love life becomes infinitely more complicated—and dangerous—when fate brings the young men into the service of Dr. Hasdi, a Jewish gentleman who hires them to escort two priceless treasures to Paris. One is an old Torah; the other is the doctor's beautiful granddaughter, Rebekah, destined for an arranged marriage. Both Jamie and Ian are instantly drawn to the bride-to-be—but they might be more cautious if they had any idea who they're truly dealing with.

R. Martin about the Dance of the Dragons, the vast civil war that tore Westeros apart nearly two centuries before the events of *A Game of Thrones*. Also included are original stories of dangerous women—heroines and villains alike—by Brandon Sanderson, Joe Abercrombie, Sherrilyn Kenyon, Lawrence Block, Carrie Vaughn, S. M. Stirling, Sharon Kay Penman, and many others. Writes Gardner Dozois in his Introduction, "Here you'll find no hapless victims who stand by whimpering in dread while the male hero fights the monster or clashes swords with the villain, and if you want to tie these women to the railroad tracks, you'll find you have a real fight on your hands. Instead, you will find sword-wielding women warriors, intrepid women fighter pilots and far-ranging spacewomen, deadly female serial killers, formidable female superheroes, sly and seductive femmes fatale, female wizards, hard-living Bad Girls, female bandits and rebels, embattled survivors in Post-Apocalyptic futures, female Private Investigators, stern female hanging judges, haughty queens who rule nations and whose jealousies and ambitions send thousands to grisly deaths, daring dragonriders, and many more." Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.
